Dear Mr.Belden:

Once more I am bothering you for information, although it has nothing to do with Indian medals, but decided that you would be kind enough to refer my request to the proper party.

Have you ever seen a medal of Alexander Z.Trudeau, (said to be that of Zenon Trudeau) who was Lieutenant Governor of Upper Louisiana, under Spain from 1792 to 1799.

I know of one in existence, but the owner wants to sell it and will not have it photographed as she thinks it would lessen its value. All I want very much, is the photograph of it.

If you have one of these medals, I felt sure that we could obtain a photograph of it for historical use.

I suppose that there is no medal of Captain Amos Stoddard who represented both France and the United States in the ceremony of Transfer at Upper Louisiana in 1804.

I can find neither one in any sort of picture or likeness.

I shall be most grateful for any help you may give me along these lines; I have hopes, for you have laready been very helpful to me.

Very gratefully and sincerely

Dear Mrs. Beauregard:

Your letter to Mr. Belden at hand. He passed away about three years ago.

We have never seen a medal of Alezander Z. Trudeau and in fact we have never heard of one. There is a modern medal called the Trudeau Award Medal but this has absolutely no connection with the Trudea you mention. Also, we do not know of any medal of Captain Amos Stoddard.

Very truly yours,
